

CHILDRENS CLOTHING EXCHANGE **EMERGENCY PACKAGE SCHEME**

The Childrens Clothing Exchange has been unable to meet since March due to the Lockdown and current social distancing rules following the Covid 19 pandemic. We recognise that for some of our families this has and will continue to cause difficulties and with some struggling to buy clothes at this time. Although the Lyppard Hub cannot open the Clothing Exchange at the moment due to social distancing regulations, we would like to be of assistance to those who need it. If you or someone you know of who is in need of support would like a pack of Childrens Clothes then please email the Hub at info@lyppardhub.co.uk with the following information:

Your name
telephone number
the age of the child/children
whether they are male or female.
If you could give us an idea of any clothes you are looking for eg
dresses, trousers etc
how many items you would like (maximum of 20 items per child).

We will not permanently store any personal information and this will be a confidential and discrete service.

We will make a clothes package up for you (stocks permitting).

Once the package is ready for collection we will contact you to arrange a time to collect it. Unfortunately we cannot take Childrens Clothing Donations at this time as we do not have the storage facilities to keep them. If we become short in a certain age group we will advertise for donations for that size only.

We understand that this is not ideal and we are looking forward to the day when we can welcome you all back without these restrictions. Please keep checking Facebook as we will advertise when we are reopening or have any further information.

Many thanks for your support.
