

Covid 19 Guidelines for Lyppard Little Uns

Hi There!

We have really missed you all over the last 6 months or so, but we would now like to introduce you to the new chapter for Lyppard Little Uns toddler groups. Before we open and welcome you all in, please read the following guidelines;

1. Spaces will be limited, with a maximum of 15 adults.
2. Booking is essential, so please call the Lyppard Hub on 01905 616841 to secure a place. This can only be done on the day before the session, from 9am until 7pm and will be on a first come, first served basis. To comply with Track and Trace rules, we will require the Adult and Child's names, as well as a contact phone number, which be held securely for 21 days.

On Arrival;

1. Before entering the building, all adults must wear a mask and must be worn during the session.
2. Please report to the main reception to check in and pay, the entry fee is currently £2 for 1 adult and first child, then 50p per additional child, please have the correct money ready, if possible.
3. Please follow the one-way system within the Hub and we will let you know when it is safe to enter the hall.
4. For the time being, our sessions will run for 1 hour each on Friday mornings and will adhere to the 2 metre social distancing regulations, with activities spaced out accordingly.
5. Unfortunately we are currently unable to supply drinks and snacks so you should bring your own, if required.

The layout may look different to what you are used to, but the warm welcome from Caren and Kara stays the same as ever.
